Commissioner for Patents

Sir:

Applicant, by way of this petition requests that the United States Patent and Trademark Office accept the color drawings accompanying the above-described utility patent application filed on the same date as this petition. The color drawings are necessary because these drawings are the only practical medium by which to disclose certain aspects of the subject matter sought to be patented in the above-described utility patent application. In more detail, Figures 1A and 1B set forth a Munsell Hue Circle with Value Scale and Mannington Yarn Color Categories which are depicted in color due to the fact that each color denotes certain color category present in the carpet of the claimed invention. Since there is no practical way to covert these color drawings to black and white drawings, color drawings are the only practical medium by which to disclose this subject matter which relates to the present application since the present invention involves using this data in certain embodiments of the present invention.

Accordingly, the United States Patent and Trademark Office is respectfully requested to grant this petition. The U.S. Patent and Trademark Office is authorized to charge payment of the \$130.00 fee as set forth in 37 C.F.R. § 1.17(h) to Deposit Account No. 50-0925. Furthermore, three (3) sets of the color drawings which form part of the above-described application and a black and

Petition Under 37 C.F.R. § 1.84(a)(2)

white photocopy that accurately depicts, to the extent possible, the subject matter shown in the color drawing are attached to this petition. Finally, the specification already includes the necessary language under the section entitled "Brief Description of the Drawings" as required under 37 C.F.R. § 1.84(a)(2)(iv).

Accordingly, all requirements have been satisfied and the petition should be granted. Applicants would appreciate receiving notification of the granting of this petition.

If there are any other fees due in connection with the filing of this response, please charge the fees to Deposit Account No. 50-0925.

Respectfully submitted,
